

Move It Game

Have the guests sit in their seats in a circle (or as close to a circle as you can get them). You read each statement below and if it applies to them, they move one seat to their right. If the statement doesn't apply, they stay in their seat. Someone else may wind up sitting on their lap! You will sometimes get a stack of people three or four high. The object of the game is to get back to their original seat. Hostess can take pictures! FUN!
