

## PLAY, PASS OR DOUBLE, DOUBLE VERBIAGE

Before you start: You will need mini purses or sunglass cases (you can use anything you want that will hold a small piece of paper) with notes inside listing their prizes (totes, ribbon necklaces, etc.). I would suggest making *at least* 75% of the purses say A JEWELRY SHOW! I would also suggest that you make the biggest prizes go with the purses that say A JEWELRY SHOW.

After introductions: Go around with a basket of the mini purses, letting each guest pick one. Say, "Pick out a purse and hold on to it... but don't open it or a buzzer WILL sound! You can bond with it, though. We're going to use it later."

After describing the hostess plan:

"OK, now get out those fun purses. Aren't these adorable? You could use these for your lipstick, as a change purse or give it to your little DIVA to put her "treasures" in.

We're going to use these to play a game called "Play, Pass or Double, Double." Now listen carefully, because this is VERY CONFUSING! **This is a game of chance and a game of honor (say slowly)**. Here's how it works. There is a prize written on a piece of paper inside each one of these purses. It could be one of those great ribbon necklaces I just showed you. Or it could be a fabulous petite tennis bracelet – perfect to wear with your watch to add a bit of sparkle! It might be the exclusive Premier Designs charm ring – not available in our catalog, or one of these adorable tote bags! When you **play** the game, you are guaranteed to win the prize inside your purse... AND if you're really lucky, you're also going to get – **wait for it... ME!** – coming over to your house with my jewelry for your own show! So you'll win the really big prize of lots of FREE, fabulous Premier Designs jewelry! I KNOW – hold your excitement! Now if you don't get me in your purse, but you really want me, we can work that out! If there is **no way** you want me stepping foot in your house, and you don't really like free stuff, and you wouldn't enjoy a fun night with your friends, then you want to **pass**. That's so OK, you just need to give me back the purse, you need to smile, look me in the eyes and say that you still really like me! If you **KNOW** you want all this FREE, fabulous jewelry, then when I get to you, you want to say "**Double, Double.**" Then you're the big winner, because you're not only going to get the purse, and me and lots of FREE jewelry, but you're going to get DOUBLE the prizes!! So you get the prize inside your purse, plus one of the other prizes I mentioned! I KNOW. IT'S TOO MUCH!!

So let me review it again for you. When you **PLAY**, you are going to take your chances, open the purse and see what you've won. You may just win a prize OR you may win a prize, the purse and ME over to have a show! You girls that LOVE to gamble definitely want to PLAY! If you know you absolutely don't want me over, then you want to **pass**. And if you know you want the free jewelry by having your own show, then you want to say "**Double Double.**" Now, let me clarify one thing...if you are lucky enough to get ME in your purse then I am coming to your home, workplace or wherever else you want to get your friends together, and we are going to have a blast! Plus you get FREE JEWELRY and who doesn't want that?

Then go around with your basket and see who's playing!
