

Sharing & Caring 2011

This is your year!

Contest runs 2011

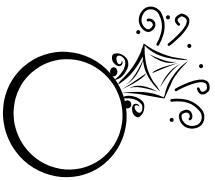

(every Monday through Sunday)
Just share the business with your team & for your personal business! Report in every Sunday by 6pm & the Diamond Designer who shares the most wins a surprise in the mail for that week!

Suggestions on how to get your team to get their prospects in front of YOU:

- Call them and tell them you want to help them build and to get you someone to share the business with!
- Set up information meetings in your home every week. You get guests there as well. (Call and remind key girls to bring their guests!)
- Offer incentives to get your team to bring guests to information meetings!

The only way to grow your business is to share Premier!

**You can do it!!
We Believe in you!**
