

# The Fashion Game

This is a silly little game that really gets them thinking about fashion. This game is great for repeat groups or groups that know each other really well.

Have the guests sit in their original seats in a circle (or as close as you can get to one!) You read each statement below, one at a time, and if it applies to them, they move one seat to their right. The object of the game is to get back to their original seat. The trick is, if the statement doesn't apply, they stay in that seat and someone else may wind up sitting on their lap! You will sometimes get a stack of people three or four high. Truly hilarious, they will love it and some may even want pictures!

Move one seat to your right, if:

1. You've ever been to a Premier show before.
2. You have on three or more pieces of jewelry (earrings count as 1).
3. You have on a piece of Premier jewelry
4. You're nails are polished
5. You have on heels
6. You have on a scarf
7. You have on a necklace
8. You have on a hairclip or barrette
9. You have more than one bracelet on an arm
10. You prefer gold over silver jewelry
11. Your shoes have a decoration or clip on them
12. You have on a watch
13. You have on a belt
14. You have on at least one button
15. You have on an anklet or toe ring (move two if you have both!)
16. You have on more than one ring
17. You have on a pin
18. You prefer silver over gold jewelry
19. You brought a friend to the show
20. You plan to book a show tonight! 😊

You probably won't need all of these for a smaller crowd, so you can pick and choose. Have fun!
